Layan Nasir is a 21 year old student at university in Palestine. She is a Christian from St. Peter's Church in Birzeit and is described as '**A remarkable young woman with a calm demeanour, tender spirit, and incredible potential.**' She was **arrested** by the Israeli military, handcuffed and blindfolded and taken for interrogation. She was accused of belonging to a **progressive student union society.** The Israeli authorities declared this group as an '**unlawful association.**' Layan was detained in prison until she was released on bail over a month later. She is one of many students who have been imprisoned for similar reasons. **It shouldn't be this way.** *
